

Develop *More Confidence* in Your Clinical and Practice Management Skills

Dr. Paul Caselle's seminars teach dental professionals how to embrace feelings of uncertainty as they learn new systems and techniques, enabling them to achieve the leadership skills to make their practice more profitable.

Dr. Caselle's articles have been published in multiple leading dental publications. He will share the newest, leading-edge dental technology to provide the most up-to-date treatments in patient care while providing the organizational skills necessary for successful implementation by the doctor and team.

Dr. Caselle brings over 40 years of experience as a practicing dentist in Wilmington Massachusetts providing comprehensive family oriented dental care.
